25X1A9a

1. You requested advice on the Agency's obligation to pay transportation of household effects to the point of hire, with particular reference to Miss [REDACTED] eligibility at time of retirement.

25X1A9a

2. As your comments indicate, the regulations do not oblige the Agency to pay the cost of moving an employee's H&E to the point of hire from a PCS headquarters assignment. More specifically, the regulatory authority to pay such costs is confined to situations when the employee separates or retires abroad. As in the case of other employees stationed in Headquarters, Miss [REDACTED] does not meet this criterion of eligibility.
